

SPECIAL FEATURES

January Short Term enables students to pursue career internships, participate in travel/study programs, or focus intensely on an unusual course or project. **Hollins' signature internship program** has developed far-reaching ties to corporations, government agencies, private foundations, hospitals, museums, technology firms, and media outlets. The **Batten Leadership Institute** helps students develop their potential through a combination of classes, skill-building groups,

seminars, and student-designed leadership projects. **First-year Seminars** give all students the opportunity to share a common academic experience in their first term at Hollins.
